93rd YEAR No. 31

FIFTEEN CENTS

Annually draws thousands

## Ice Fishin' Derby to kick off Saturday

The 1979 Ice Fishin' Derby sponsored jointly by the Northern Illinois Conservation Club and 885 Civic Club of Antioch will kick off this weekend on the ice at the south end of Channel Lake on Rte. 173.

The event, which traditionally draws thousands for the largest and richest gathering of fishermen and prizes in the Midwest, will be held from 9 a.m. to 4 p.m. Saturday and Sunday.

The winter fest provides several thousand persons with the opportunity to win prizes for outstanding catches as well as awards for games and races for youngsters and adults.

The 1979 Grand Prize is a \$1,000 savings bond. Sixteen other top prizes are also in store for fishermen catching prizewinning fish or contestants who win individual events — the largest amount ever offered.

The prizes and their donors include: a Jiffy power ice auger, by John Teresi Chevy-Olds; a Schwinn ten-speed bike, by Lyons-Ryan Ford; a Garcia Ambassador rod and reel set, by Strang Funeral Home; a Homelite chain saw, by Nor-Mal, Inc.; a Knipco portable heater, by Pedersen Brothers Implement; a Sno-boat ice shanty, by the Kodiak Guns and Tackle; and a Bulova digital watch, by Rittenhouse and Embree.

Also offered: a \$100 gift certificate by Lasco's Florist; his and hers down jackets, by Four Squires of Antioch; set of Wilson stylist golf clubs and a jay bag, by BJ's Sports Center; Water Ford ten lamp chandelier, by Candlelight Galleries; and Savage model 24, 22-410, by Diemer Plumbing.

Also offered: Hitachi AC-DC TV, by Wick Home Builders of Lake County;

Lew's speed stick and speed reel by Steve's Lounge; snowmobile suit and helmet, by A and B Printing; and a \$500 savings bond, donated by the State Bank of Antioch.

These prizes will be awarded Sunday afternoon. Also, lots of smaller prizes donated to the derby will be awarded in fishing and other athletic competition.

The different categories of fish in the contest include perch, sun fish, walleye pike, catfish, bass, crappies, blue gills, stripers and northern pike.

Hourly prizes will be given not only to fishermen, but there will also be 30-minute awards for winners in game competition, including three-legged races, sack races and egg-throwing.

Also featured will be the Midwest Sled Dog Club of Lake Villa with Alaskan Malamutes and Siberian Huskies demon-

strating dog races.

Parking will be available near Steve's Channel Inn, Bob's Marina, the Channel Lake Boathouse as well as other nearby resort areas.

Both the 885 Club and the Northern Illinois Conservation Club ask that residents come out on the ice on Derby Days for an enjoyable experience.

Pop, coffee, sandwiches, chili, hot chocolate and other hunger-stoppers will be available at club headquarters on the ice.

## Glenda Tomaschik to be new recreation head

By Sue Nasenbeny

Glenda Tomaschik, 29, started work Monday as the new coordinator of parks and recreation, filling the vacancy of Sue Koppa, who resigned last December to begin a business in town of her own.

Mrs. Tomaschik will be responsible for coordinating the entire parks and recreation program in Antioch, including senior citizens' programs, swimming, basketball, volleyball, day camp and a variety of other duties.

The board approved her appointment upon the suggestion of the Park Commission and set her salary at \$11,000 per year.

Mrs. Tomaschik said she has no immediate changes in mind for the programs, which Mrs. Koppa initiated. "I'd like to continue doing what Sue did," she explained.

Sue's done such a good job, there really isn't much to change," she added.

Mrs. Tomaschik moved to Antioch seven years ago with Husband Pete, who works with Tek Ambulance Service in Libertyville and teaches paramedic classes at Victory Memorial Hospital in Waukegan. He is also a member of the Antioch Rescue Squad.

They have two children, Ryan, 6, who attends kindergarten at Oakland Grade School, and Crissini, who is 19 months old.

Prior to her appointment as recreation coordinator, Mrs. Tomaschik operated a housecleaning business with a friend in Antioch. She also worked with the Hertz Corporation and headed the international division of the company from 1968-71.

Part of that time was spent in her home state of Nebraska. She attended airline school in nearby Kansas City, Mo. and was later transferred to Chicago, where she met her husband.

She said when she first moved to Chicago, "I couldn't imagine raising a

family there." Later, her husband had an opportunity to work for Strang Funeral Home and they moved to Antioch.

"I really like it in Antioch," she added. "I like the small-town atmosphere, it's great for raising kids."

Mrs. Tomaschik has had a lot of experience in dealing with children, as she has taught Sunday school and has worked at Allendale School in Lake Villa.

"I'm excited about dealing with children in my position. And I'm not worried about that aspect of the job," she explained.

An area that Mrs. Tomaschik would like to explore further in her new position is working with senior citizens, she said. "I've never done that before and it sounds exciting."

Also in her programs, she said she would like to develop some family-related projects.

"It sounds like interesting things I'll be doing. It's a combination of office work and physical labor, and I've worked with both before. I like the varied duties, and change. I don't like hum-drum work," she said.

"I'm not too worried, though. If everyone is patient, we'll make it," she added with a smile.

## Dog used to detect drugs at high school

With the help of the United States Customs department, a hunting dog last Friday detected a variety of illegal drugs in school lockers at Antioch High School.

Antioch Police Chief Chuck Miller said the police department worked with the high school in using the dog throughout the school halls in detecting a variety of contraband.

No arrests were made, Miller said, although police confiscated the drugs and sent them for laboratory testing. Antioch High School Supt. Warren Polley said disciplinary action will be taken on those students who had drugs in their school lockers.

Since the use of the dog was furnished by the federal government, it will not cost the school nor the village anything, Miller said.

"We (police and school officials) were happy with the results," Miller added. "The dog was very alert and

responded very well to any locker that contained contraband. The dog was very accurate and we were very pleased."

This is the first time this method of searching school lockers for drugs has been used in the Midwest, he added.

Because of the success of the operation, using dogs will be implemented in other areas of the Midwest, he said.

Polley said the school's philosophy is that they will "work with any agency to deter problems. It's a low-key type of thing. I feel it's another method of checking lockers. It's much like a patrolman on a highway, saving people from themselves, he said.

Miller added that the reason the dogs were used first in Antioch and not in another community was that he was aware of the opportunity of using the dog first and requested it from the federal government.

## People in the news

Wayne Howard Wells of Antioch recently received a bachelor of science degree in agriculture from the University of Illinois at Urbana-Champaign.

Wells was one of 1,692 January graduates at the

university. He will receive his diploma in March.

THREE EASTERN Illinois University students from Antioch have received academic honors for the fall semester, 1978.

They include Robert J. Gossman, who received high honors; Susan M. Nasenbeny, who also received high honors and Doreen Kaye Wurster, who received honors.

Robert F. Glover, of 423

Winsor Dr., Antioch, has been appointed to the Council on University Planning and Budgeting.

Previous to the appointment, Glover wrote for the Eastern News, the campus daily newspaper.

## Snow mounds can present added hazards

The extreme accumulation of snow presents many additional hardships and hazards, Lee Trezise of Antioch's Chamber of Commerce and Industry warned.

One situation in need of special attention and consideration is the mountain of snow at intersections and/or side streets.

The next time you nose the front of your automobile into the street in an effort to see around the mountains, remember the fear it instills - that you may be placing yourself in a "target" position.

If you keep that in mind, hopefully, it will be easier for you to understand the next "target" you may encounter, increase your driving awareness and enable you to extend the courtesy necessary to get us through this burdensome winter with fewer accidents and less frustration.

### Safety tip

The safest way to free a stuck motor vehicle is to call a tow truck, says the Tire Industry Safety Council. You will avoid possible tire destruction, vehicle damage and personal injury which are usually more expensive than a tow charge.

### Avoid costly mistakes with some free advice.

You've spent a lifetime building your estate and Country Life's cost-free estate planning service can help you keep it in the family.

Our full-time estate planning staff can work with your attorney to help you unravel complicated tax laws and distribute your estate—all with no cost or obligation to buy life insurance.

## LETTERS

Editor:

This morning I gave slow chase to two snowmobilers on one of our main thoroughfares, blowing my horn in warning. Both stopped and came back to my car, looking puzzled.

When I told them that snowmobiling on roads was against state law, it was news to them. They told me that everybody did it, that the police did not interfere, and asked where else they could go.

They gave me their names and let me take their license numbers. Both were young — I should say that one of them was under 12 years old.

RATHER THAN "turn them in," it seems to me more would be accomplished by having the village let them and

the rest of the public know what the policy is in respect to snowmobiling, what the state law and local ordinances are, and what policies the police are instructed to carry out.

Local papers carry frequent stories about the heroism of snowmobilers in emergencies (hats off to them), publicize snowmobiling festivals, but except for occasional warnings to snowmobilers as to their own safety, I can't remember anything except letters to the editor about the hazard snowmobilers pose to the life and property of the majority who do not enjoy this activity.

IT WOULD BE additionally helpful if you would routinely publicize widely at the beginning of the snowmobiling season what the rules of the game are for the benefit particularly of youngsters and newcomers to town.

One question, for instance, that needs clarification — it has been said that snowmobilers may ride across the yards of residents where there are no sidewalks because the right of way belongs to the village.

That suggests that residents should not sod nor landscape their yards beyond the beginning of the right of way, but just leave that last 12 to 15 feet in mud and weeds. If they did, snowmobiling would not hurt.

But if we beautify and improve our yards, does not that improvement belong to us, leaving your right of way intact? And aren't those improvements subject to the same police protection afforded the rest of our property?

THESE TWO YOUNG men I stopped were courteous and cooperative. In my haste to get home, I neglected to either thank them or give them my name.

What action do you recommend to give them a respect for our laws, and for them not to feel discriminated against if snowmobiling is forbidden on most public and most private property?

A WORD OF PRAISE: The village snow removal job was outstanding. Chicago should come here for lessons — and pay more than \$90,000. And, all my personal contact with our police has won my respect and appreciation.

Very truly yours,  
Mrs. Weld S. Carter

## Tax relief available for snowstorm property losses

Immediate tax relief is available for many Northern Illinois taxpayers who suffered property losses as a result of the Jan. 13 snowstorm declared an emergency by the President, the Internal Revenue Service announced.

Tax law permits taxpayers in areas designated eligible for federal emergency assistance to deduct losses on either their current year's tax return or the prior year's return, according to Charles F. Miriani, IRS District Director for Northern Illinois.

"Losses to business property are generally deductible in full while non-business losses are deductible only in the amount that each exceeds \$100. Deductions are not allowed for the portion of any loss reimbursed or expected to be reimbursed by insurance or other compensation," Miriani said.

Taxpayers can claim the casualty loss on their 1978 Federal income tax return, which is due April 16, if they so wish, or include the casualty loss on their 1979 Federal income tax return due April 15, 1980.

Individuals who have already filed their 1978 Federal tax returns can amend the return by completing Form 1040X and submitting it to IRS. Corporate taxpayers should use form 1120X.

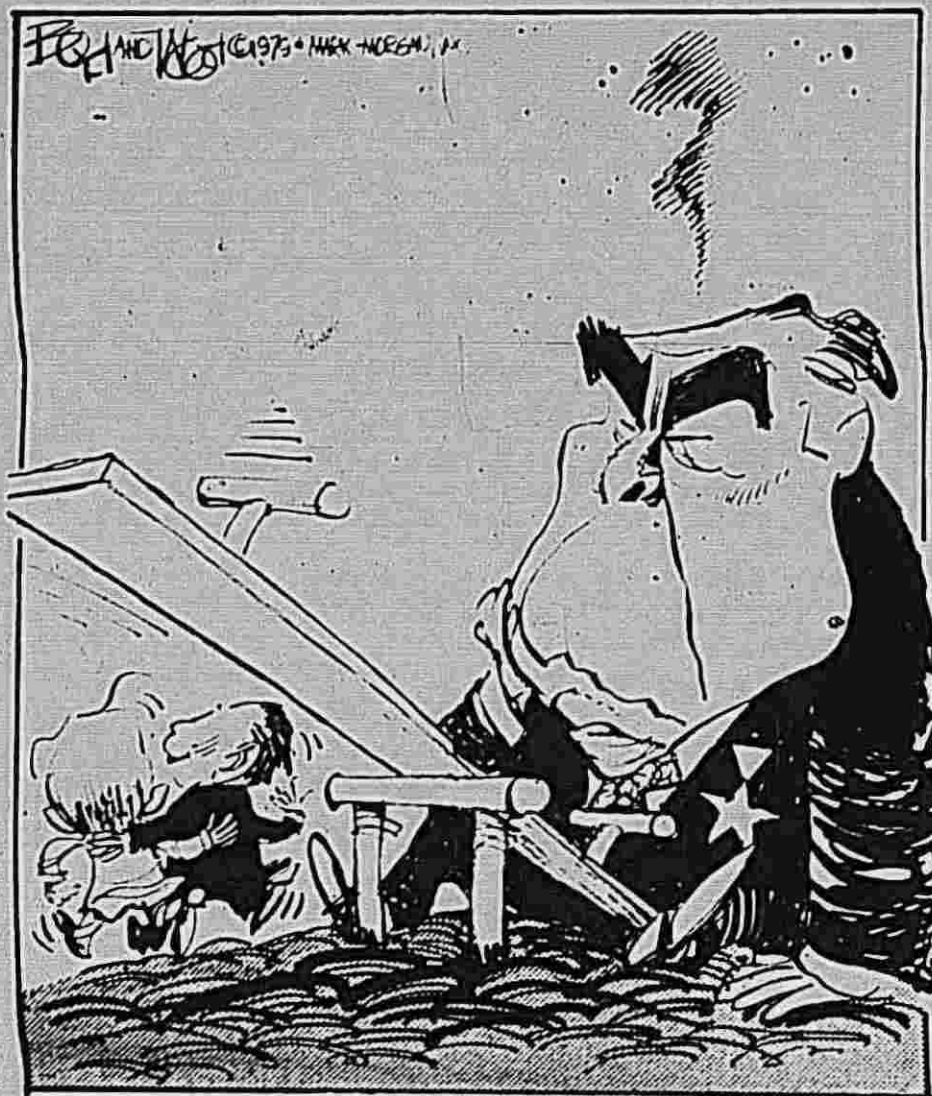

Lake County was designated eligible for federal assistance by the federal disaster assistance administration administrator.

Miriani noted that taxpayers should compile lists of those items damaged or destroyed, and determine their value immediately before and after the loss occurred.

Before-and-after photos of the damaged property and judgements of appraisers are helpful in establishing the amount of loss.

Two helpful IRS booklets, Publication 547, "Tax Information on Disasters, Casualty Losses and Thefts," and Publication 584, "Workbook for Determining Your Disaster Loss," are also available free from IRS offices.

Taxpayers who need help in preparing their returns should contact their local IRS office or call the IRS toll-free. Northern Illinois residents should call 800-252-2921.

## Real estate tax hearing set by Board of Review

The 1978 Lake County Board of Review will hold a public hearing on Feb. 21 concerning the application of a Township multiplier of .8069 to all real estate subject to taxation in Antioch Township, except land assessed as farmland, as defined in the Revenue Act, for the 1978 assessment year.

The Hearing at 9:45 a.m. on February 21 will be held in Room 603A on the sixth floor of the County Administration Building, Waukegan.

The Board of Review has decided to equalize all Lake County Townships at 25 percent of market value instead of the statutory level of .33 1/4 percent.

This decision was made in response to the pleas of Lake County taxpayers.

Another factor influencing the board's decision was the rapid increase in real estate values that has distorted assessed values.

The Board of Review is asking the legislature to reduce the statutory level of assessments to 25 percent in time to give Lake County homeowners relief for 1978.

The board is also asking the legislature to restrict the increase in spending by taxing bodies to a reasonable percentage increase over the previous year's spending unless approved by referendum.

The Board of Review recognizes the concerns of all Lake County taxpayers and is happy to hear these concerns at the appropriate time. However, the subject matter of this hearing is restricted to the equalization of assessment levels between townships. Those who wish to testify are asked to avoid references to individual problems.

Persons desiring to testify regarding the township level of assessment in Antioch Township should notify the Supervisor of Assessments' office by 5 p.m. Tuesday, Feb. 20.

## Miss Antioch candidate Nancy Springer likes a busy life

Blonde, brown-eyed Nancy Springer, a candidate in the Miss Antioch contest, is very busy, and she said she "likes it that way."

The 20-year old contestant is an office service coordinator at Baxter Labs in Deerfield.

She is also attending business school and would like to eventually become an executive secretary. However, if she wins the scholarship in the Miss Antioch contest, she said

she would like to go to nursing school or attend college to become a physical therapist for children.

Nancy has spent the last 15 years in Antioch, and graduated from Antioch High School in 1976. While in high school, she was a member of the National Honor Society and performed in several school plays.

She also performed in productions at the PM&L Theatre in Antioch. "I enjoy acting. It's a lot of fun," she admitted.

Nancy also said she enjoys cooking. "I'm a fanatic. I like to try different gourmet dishes," she said. And she likes to go horseback riding as well as skiing.

Traveling is also an important part of her life. "This year has been busy for me," she explained, as trips to Mexico and Florida have been part of her vacation calendar in the past few months.

"I'd love to travel all over the U.S. some day," she said. One of her favorite places to visit has been Colorado. "I love the Rockies."

For the talent portion of the contest, Nancy said she will play the guitar and sing Anne Murray's song "He Needed Me." Nancy has been practicing her guitar playing since she was nine years old.

She practices her singing at St. Peter's Catholic Church, where she harmonizes with a group during the 5:30 p.m. Saturday Masses.

The slender, 5-foot-six inch contestant said she entered the contest "because it's something I always wanted to do. And it's interesting."

Nancy's parents are Harold and JoAnn Springer and she has two sisters and one brother. Her older sister Wanda is married and lives in South Dakota, while her younger brother Jim, 18, is a recent graduate of Antioch High School and currently attends the College of Lake County.

Nancy also has a baby sister Jessica, who will be two years old Feb. 16.

NANCY SPRINGER

## Chain O'Lakes Woodchippers meet Feb. 14

The public is welcome to attend the regular monthly meeting of the Chain-O-Lakes Woodchippers from 7 p.m. to 9 p.m. Feb. 14 in the civic room of the First Bank of Antioch.

Woodcarvers from the northeastern part of Illinois attend the meetings to exhibit their carvings and demonstrate their skills and techniques.

Ms. Margreth Janson of Waukegan will be visiting the club to demonstrate relief carving and finishing. She is an accomplished carver and will have finished carvings on exhibit at the meeting.

The following officers for 1979 were elected at the Jan. 10 meeting:

President: Albert Dittman, Antioch.

Vice-President: Ben Tavaroh, McHenry.

Secretary-Treasurer: Carolyn Korando, Antioch.

The major project for the woodchippers in 1979 will be to sponsor a wood-

carving show at Lakehurst Shopping Center, Saturday, Apr. 28, and Sunday, Apr. 29.

Local and visiting woodcarvers will be exhibiting.

## Free blood pressure clinic

A free Blood Pressure Screening Clinic will be conducted by the Lake County Health Department from 2 p.m. to 4 p.m. Wednesday, Feb. 14, at the Antioch Public Library, 757 Main Street, Antioch.

All adults are welcome and no appointment is necessary.

At the clinic, nurses will screen individuals for high blood pressure and will refer those with elevated blood pressure to a physician for medical evaluation.

In addition, instruction for diets, medications and

other aspects of controlling high blood pressure will be offered to persons referred by their physician.

"When an individual's high blood pressure is controlled, the risk of stroke, heart attack and kidney failure is greatly reduced," Dr. Steven R. Potsic, Executive Director of the Lake County Health Department said.

For further information, contact the Hypertension Program, Lake County Health Department at 689-6721.

## Lake County Naim to host widows, widowers

Widows and widowers are invited to attend the Lake County Naim meeting at 2 p.m. on Sunday, Feb. 11, at Our Lady of Humility School Hall, 1801 Wads-

worth Rd., Zion. Friendly socializing and bingo will follow. For further information, please contact Frank Drang at 662-1725.

## Give our best to your love.

This Valentine's Day give the unexpected, an ice cream cake Valentine. We'll decorate it with rosebuds and your personal message. Your love deserves the best.

## The Time Machine

### 50 YEARS AGO: FEBRUARY, 1929

The seventh and eighth grade pupils of E.M. Beckwith enjoyed a sleighride party to Grayslake last Wednesday evening and were entertained at Mr. Beckwith's home where lunch was served. Miss Mabel Scott accompanied the party.

Miss Juanita Nickerson came home last week from the hospital where she underwent a goiter operation and is recovering at her home here.

Virginia and Warren Hadad have been receiving oculist treatment at the office of Dr. Breitenbach and this has necessitated their absence much of the time.

Charlotte Meyer stepped ahead of the other members of the seventh grade by writing a perfect paper in the week's spelling test.

Phil "Red" Shafer, for sixteen years one of the country's best known race drivers and holder of many important records received a new Silver Anniversary Buick sedan at the Buick Motor Co. at Flint, Mich. His own Miller special racer is capable of speeds up to 140 m.p.m.

### 30 YEARS AGO: FEBRUARY 3, 1949

Arthur M. Hawkins and Edgar S. Simonsen were appointed village trustees by President George B. Barlett to fill vacancies caused by Winsor Dalgaard and Walter I. Scott. The board still lacks a member for Frank D. Powles who submitted his resignation because he no longer is a village resident.

Antioch's contribution in the 1949 March of Dimes campaign passed the \$350 mark at its close but will be considerably increased with the coin box receipts, announced local chairman, Roy Kufalk.

A short circuit in the wiring from a battery is believed to have caused a fire which destroyed the delivery truck of the Chain O'Lakes Cleaners and its contents Tuesday afternoon at Cox's Corners.

Proof that the fame of the local rescue squad is spreading over a wide territory was forthcoming Tuesday, when the Maywood authorities asked the squad to lead in the search for a body in the Des Plaines River. Sunday, Squad members Scott, Laursen and Rentner went with Captain Holbeck and Capt. Howard Gatley of Kenosha. Much favorable publicity for the squad and Antioch in metropolitan newspapers has resulted from the work performed by the squad.

Mr. Fred Yates was elected president of the Methodist choir at a party held Wednesday evening at the home of Mrs. Clarence Lux. Mr. Clarence Olson was elected vice-president and Mrs. Clarence Lux was elected secretary-treasurer.

As a memorial to Mrs. Lucille LaPlant, a former scout leader, Mrs. Thomas Hunt of Mari Anne's shop and the Antioch Lions club have given a new Singer Sewing Machine to the Girl Scouts of the village.

Liquid Luxury - PRIOR BEER - Distributed by the W & J Distributing Co., Spring Grove, Ill.

### 10 YEARS AGO: FEBRUARY 6, 1969

Harold Gaston, business manager of the Antioch News received a citation from the regional director of the United States Post Office. Participating in the event were Howard Pannier, John Horan, Preston Reckers, Mayor Ray Toft, Russell Barnstable and LaVerne Woods.

Mrs. William C. Petty and William E. Brook have been appointed co-chairmen of the Antioch Township Heart Drive.

Sandra Marie Domke has been named 1969 Betty Crocker Homemaker of Tomorrow for Antioch Community High School here because she achieved the highest score in a homemaking knowledge and attitude test.

Mrs. Jack Domik, the former Ellyn Wilton of Antioch, has received a certificate designating her a certified Graphoanalyst.

First grader Carl Belz of Petite Lake is recovering from an appendectomy at Condell Hospital.

Did the groundhog see his shadow or didn't he on Sunday? We had sunshine and shadow.

Thieves broke into the Channel Lake School, Rte. 173 and Lake Avenue in Antioch Township and took \$1 from the second grade classroom. None of the other rooms were entered.

The earliest surviving world map, showing the New World discoveries of the 1490s, was drawn by Juan de la Cosa, the captain of Columbus' Santa Maria.

## Program on narcotics to be given

A program on "Drug Enforcement" will be presented by Tom Brown, newly elected sheriff of Lake County, and his narcotic enforcement group.

The talk will be given at 8 p.m. Feb. 21 at the Antioch Township Hall on Rte. 173.

The event is sponsored by the Antioch Republican Club and all citizens are invited to attend.

## LaLeche

"Nutrition and Weaning" will be the topic of the LaLeche League of Antioch/Lake Villa meeting at 8 p.m. Feb. 14 at 845 Helen Dr., Lake Villa.

Babies are always welcome at meetings as well as any other women interested in learning about the art of breastfeeding, a spokesperson said.

For more information, call 395-6081, 223-5861 or 414-857-7871.

HONORED AT THE annual Blue and Gold banquet for Cub Scouts are members of Pack 191 and their sponsors. They are, bottom row, left, Greg Gugel and Jeff Neul; middle row, left, Larry Anderson, Shawn Reid and Mitchell Moore; and top row, left, Greg Neul, scoutmaster, Larry Anderson, assistant scoutmaster, Bill Brook, State Bank of Antioch sponsor and Bill Groeninger, institution representative for the pack.

## Village could be eligible for \$20,000 in snow removal aid

Village officials anticipate that Antioch will be eligible for about \$20,000 in federal aid reimbursement for the cost of snow removal during the snowstorm period of Jan. 16 to Jan. 23.

Village Clerk Marilyn Sterbenz said she and Walt Shepard, superintendent of public works, attended a regional snow removal briefing last Friday in Grayslake to learn the procedures for filing an application for emergency aid.

Since President Carter declared Lake County a disaster

area after the blizzard of '79, the village could be eligible for reimbursement of two-thirds of the cost of snow removal.

"Now we have to go back through our records and decide what snow removal operations qualify" for aid, she explained.

She said filing for federal aid is a complicated procedure and the village must back up its requests with such evidence as receipts for rental of snow removal equipment.

Mrs. Sterbenz added that the qualifying period includes some of the snow removal for the second snowstorm which hit the village.

She will now travel to Schaumburg on Feb. 16 to apply for the federal aid. "We still have to substantiate our application," she added.

If okaved there Mrs. Sterbenz will go on to the Rockford office for final approval of aid.

## Limerick remains unbeaten

Limerick Lounge boosted its record to 12-0 in the Antioch Men's Basketball League last week with a 62-52 victory over The Wharf.

Mike Perrone led the Limerick with 18 points while Steve Pilcher and Greg Shanks each had 16 for The Wharf.

Pat Michalak and Tim

Huebner scored 14 points apiece as BJ's Sports Center beat the State Bank 55-46. Jeff Dresser topped the Bankers with 17.

Maestranzi Brothers led by Tom Pocrnich's 18 points, routed Century 21 by a 76-48 score. Maestranzi's is now second in the league with an 8-4 record.

## Deepening creek to be flooding problem priority

After a lengthy deliberation in a committee meeting, the Antioch village board decided to make "channelizing and deepening" Sequoit Creek a priority project to help stop the flooding in the village.

During the public works committee meeting, the board decided to reconstruct the culvert from the Grade School property to Hillside Avenue, following the creek to the east upstream.

Mayor Michael Haley explained, "We need to get the water out of town at a quicker rate, and we decided we needed more capacity in the creek to take the water from various problem areas out of the village."

The source of the funding for the project has not been determined yet. Haley added that the project will go out for bidding in the spring and construction should be completed by the end of the summer.

The board had been presented with four proposals for priority projects two weeks ago by Village Engineer Frank Angelotti.

Haley said they took the first two proposals, reditching Sequoit Creek from Rte. 173 to Hillside Avenue to control storm water flooding, and controlling the

periodic flooding in the Oakwood Knolls subdivision, and modified them due to cost factors.

Supt. of Public Works Walt Shepard said the project will "put us in the direction to stop the flooding." He had earlier suggested channelizing and deepening the creek.

In other business, during the regular meeting, the board approved \$22,775 in federal revenue sharing funds to be allocated for the purchase of a 1979 International dump truck for the public works department.

They also welcomed Glenda Tomaschik as the new head of parks and recreation.

In addition, the board approved proclaiming Feb. 11 as Thomas A. Edison day at the request of Mayor Haley.

Edison was born on Feb. 11, 1847 and 1979 marks the 100th anniversary of his invention of the incandescent electric light bulb.

He also had 1,093 patents and other inventions including the phonograph, the modern research laboratory and the central power station.

## St. Peter's meets quota in blood bank

St. Peter's Church Blood Bank met their quota Jan. 27, thanks to the many donors who came and donated that much-needed pint of blood.

St. Peter's was credited 210 of the 180 pints needed to qualify as a blood bank.

Mrs. Ellen Barr Ipsen and Mrs. Gloria Grealis said they would like to thank all of the volunteers who made telephone calls weeks before and those who volunteered their time the day of the blood bank to help make the program a success.

They added that without all of the helpers the blood drive could not have been accomplished.

In parts of India it was customary to tie together the clothing of a bride and groom.

## Chamber plans Dollar Days

The Antioch Chamber of Commerce & Industry Retail Committee has planned its annual Dollar Days promotion for Feb. 15th through the 21st.

Watch for banners in the windows of participating stores.

The list of businesses include: Antioch Drugs, The Antioch Reporter, Antioch Savings and Loan Assoc., Antioch True Value Hardware, Barnstable's Dept. Store/Left Bank, Ben Franklin Family Center, B-J's Fashions for Men, DeGraff Family Shoes, Erickson's Sewing Center, First National Bank of Antioch, Foremost Liquors, Four Squires, George's Texaco, Gibbs & Jensen Carousel, Globe Antioch, Hahn Jewelers, Johnson Jewelers, The Lakes Area Avertiser, Park Ave. Gallery, Pin & Pleat, Reeve's Walgreen Agency, Stanley's Men's Fashions, The Shoe Box and Western Auto.

This annual event is a final reduction sale on a variety of merchandise and service. Be sure to take advantage of this great chance to "shop Antioch," save time, travel and money!

## '78: Biggest year in construction

1978 — that was the biggest year in building construction for Antioch, according to construction value, Building Inspector Richard Stroner reported.

Private construction in the village during 1978 amounted to \$3,155,922, while the cost of construction for the safety building and the new school building totaled \$3,314,436. The total value for construction in the village during 1978, both public and private was \$6,470,358.

Construction in 1977 totaled \$2,927,919 and in 1976, it was \$2,712,491. The previous big construction boom came in 1972, when it totaled \$3,082,793.

Stroner explained that one of last year's biggest increases came in the area of commercial additions and alterations, with 24 added at a cost of \$244,248.

Antioch's building in 1978 included: 39 single family

residences, \$1,888,330; three multiple family units (one seven-unit and two four-units), \$275,000; 26 residential alterations, additions and sidings, \$139,861; 21 private garages, \$85,379; three new commercial buildings, \$283,138; 24 commercial additions and alterations, \$244,248; and three industrial additions and alterations, \$239,966.

Permits issued included one storage building, one pool, two electrical, one plumbing, 26 sign and 20 fence permits.

Stroner said total permits for the year amounted to \$78,698, which was about \$6,000 or \$7,000 more than in 1977.

The science of pediatrics was founded by 18th-century Swedish physician Nils von Rosenstein.

# Jaycee's banquet an 'unqualified success'

DANCING TO THE BEAT of the music during the Jaycee's Distinguished Service awards dinner-dance are Larry and Lee Trezise.

The Distinguished Service Awards banquet, held last Saturday night at St. Peter's Social Center, was an unqualified success. Jaycee publicity coordinator Phil Schaub said.

"A good time was had by all," he added. Those receiving awards for the Outstanding Young Persons showed character in their acceptance speeches, Schaub said.

Sue Koppa, the Outstanding Young Person in Antioch, received a standing ovation as she stepped up to receive her award.

Other young persons honored included Police Chief Chuck Miller, who was the Outstanding Young Public Servant; Antioch Upper Grade School teacher Maureen Musgrove who was the Outstanding Young Educator and St. Stephen's Sunday school Supt. Ron Blackstone, who was the Outstanding Religious Leader.

Lee Trezise, executive secretary of the Antioch Chamber of Commerce and Industry, said, "We enjoyed the evening

immensely and appreciated the opportunity to honor such worthy, outstanding young people in our community."

She added that she especially enjoyed the dancing.

Also honored at the banquet was Kirsten Laurin, who was the recipient of the Jaycee's Hugh O'Brien award for her leadership while still a sophomore in Antioch High School.

She will attend a weekend leadership seminar sponsored by the Jaycees for Hugh O'Brien winners throughout the state.

Schaub said the Antioch Jaycees thank the community "for all the support they showed last Saturday night."

"For we Jaycees to honor the award recipients wouldn't have meant much. It was the people of Antioch who turned out that really made the awards and dinner-dance the honor they should be," he added.

OUTSTANDING YOUNG person in Antioch, Sue Koppa, former head of Parks and Recreation, gives her acceptance speech at the Jaycee's Distinguished Service awards banquet. She received a standing ovation from the crowd.

## Women of Moose welcome new members

Senior Regent Judith Kelly and 24 members recently welcomed Helen Rymka and Delores Vaughn as new members of

the Women of the Moose. Moosehaven chairman Theresa Grefkowitz announced that the Feb. 10 Sweetheart Sock Hop would

include dance contests and food. Theresa asked for cooperation in making the committee project a success.

Chapter Rally Day, March 4, will take place at Wauconda Chapter this year.

Ritual director June Balenger requested that volunteers help to fill the chairs of those unable to attend.

Senior regent urged all those taking part in the ritual to attend next business meeting at 8 p.m. Feb. 15, in order to practice the portion of the ceremony Antioch is required to perform.

Other chapters attending the rally are Waukegan, Fox Lake, Zion-Benton and Highland Park.

## Miss Antioch entry deadline is Feb. 15

The Antioch Chamber of Commerce and Industry would like to remind young women of their deadline for entrants in the Miss Antioch Pageant - Feb. 15.

If you are a young woman between the ages of 17 to 26, are or will be a high school graduate by Sept. 3, and are an American citizen - living, working or going to school in Antioch you qualify. Personality, poise, beauty and talent are the major requirements.

If you fit the above qualifications, and are interested or need more information please call the Chamber office at 395-3381.

We need more applicants to do the village and the pageant program the justice they so well deserve. Girls, if you are bordering on a decision, please call today.

COUPLES ENJOY dancing to the music of the band "Favor" at the Jaycee's Distinguished Service awards dinner-dance last Saturday.

## Action Center to hold dance for Valentines

The Antioch Action Center will present, "Two Hearts Beat In Three-Quarter Time," the Valentine Theme for dancing to begin at 9 p.m. this Friday.

The '79 season will open with George Olisar and his 13-piece orchestra playing old and new tunes for everyone's dancing pleasure.

Plan to attend this opening night of ballroom dancing with your favorite partner or sweetheart at the center, located on North Avenue, east of Rt. 45.

Doors will be open at 8:15 p.m. Admission is \$4 per person.

"To every man his own life is a mystery." Latin proverb

## Something's Afoot' starts Saturday

"Something's Afoot," the novel British musical whodunit, opens this Saturday night at the PM&L Theater, 877 Main Street in Antioch.

Four following performances of this hilarious musical comedy, by James McDonald, David Vos, and Robert Gerlach are scheduled for Fridays and Saturdays, Feb. 16, 17, 23 and 24.

Curtain time for all of these presentations is 8:30 p.m.

Since this unusual musical production is a whodunit, you had better suspect everybody in the cast of being up to no good.

That competent and sinister group includes Tricia Schaefer, from Antioch, as Lettie, the maid; Bill Sershon, Antioch, as Flint the caretaker; Al Kessie, Richmond, as the butler; Rosline Scheske, Antioch, as the ingenue Hope Langdon; Ken Scheske, Antioch, as Dr. Grayburn, the family doctor; and Bruce Stamm, Round Lake Beach, as Nigel Rancour, a dissolute nephew.

Also, Irene Hahn, Antioch, as Lady Grace Manley-Prowe the impressive grande dame; Paul Biel, Antioch, as Col. Gillweather, an old army man; Aileen Biel, Antioch, as Miss Tweed an amateur detective; and David Krostal, Lindenhurst, as Geoffrey the juvenile make up the cast.

Not much more about the curious goings-on of this very strange mystery can be told.

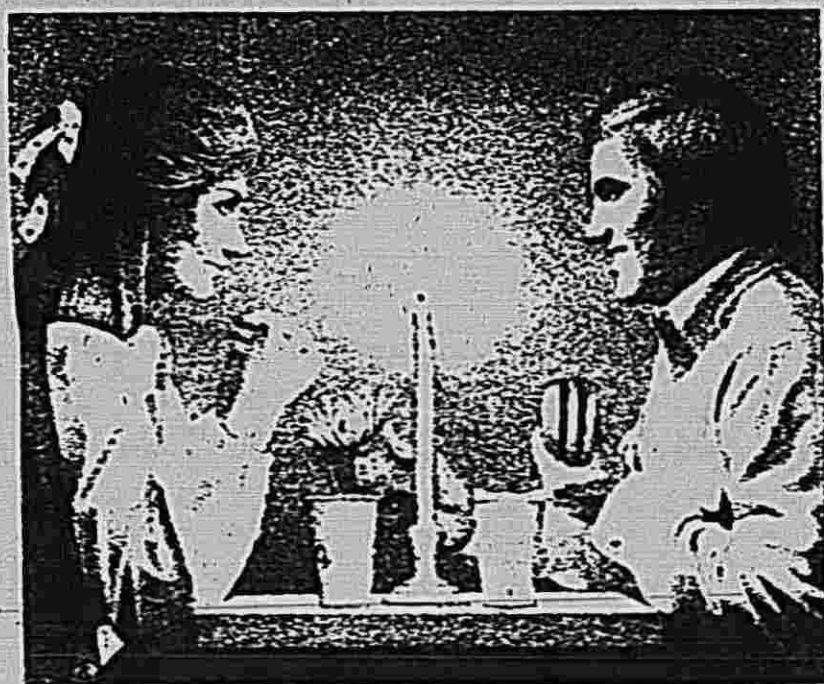

It can be told, however, that the PM&L production is directed by Ken Smouse, a stage veteran well known to Antioch theater-goers.

It can also be told that the orchestra pit of this tuneful and rhythmic musical production is peopled by Tracy T. Kiederlen, piano; Brian Kovach, bass; and Karl Heilgeist, percussion.

Also, the secret is probably out by now that "Something's Afoot" is another PM&L hit expected to play to full houses.

To be sure of your opportunity to try to solve this whodunit, be certain to call 395-3055 for your reservations, and to appear at the PM&L box office no later than 8:15 on the night you plan to see this delightful musical production.

## Come See McDonald's in a different light

At McDonald's® of Antioch, we like to do everything we can for you. That's why this Valentine's Day, February 14, is Candlelight Dinner from 5 to 8 p.m. And you're cordially invited to come enjoy our world famous food complete with table service and all the romance of candlelight.

So, bring your loved ones.

## FFF Club to host Valentine's Party

A Valentine's Party and a pinochle tournament will highlight the schedule for this week's activities at the Antioch Fun, Food and Friendship Center, a program of Catholic Charities.

Located at the Antioch Scout House at 741 Main St., the center is open Monday, Wednesday and Friday with meals at noon and offers a variety of programs and activities.

The Senior program is also open from 9 a.m. to 3 p.m. on Tuesdays at the First National Bank of Antioch, and from 1 p.m. to 3 p.m. Thursdays at the Antioch Township Library.

## Annual VIP award set for March 31

Antioch's 11th annual VIP dinner-dance will be held Saturday, March 31, at St. Peter's Social Center.

Selection of the person or persons to be honored will be made soon and ballots will appear in the Antioch News.

The deadline for nominations is Sunday, Feb. 25.

Previously honored at Antioch VIP dinners were Jim McMillen, W.C. Petty, William E. Brook, Rudy Eckert, Albert L. Dittman, Fern Watson, Elmer and Gert Zimmerman, Herman Holbek, Hank and Ricky Apostol, and last year, Gene and Eileen Zannini.

Co-chairman of this

year's event are Paul and Eileen Maginot and Bill Barr. Rev. Francis Kib of St. Peter's is moderator.

The following is a schedule of this week's activities:

Thursday, Feb. 8, 1 p.m. - Movies - The Cool White Wines of Germany (Antioch Township Library).

Friday, Feb. 9, 9:30 a.m. - Coffee, 10 a.m. - Cake Decorating Lessons, 11:30 a.m. - Exercise, 1 p.m. - Pinochle Tournament, 2 p.m. to 6 p.m. - Bake Sale, First National Bank of Antioch.

Monday, Feb. 12 - 9:30 a.m. - coffee, 10 a.m. - crafts, 11:30 a.m. - Exercise, 1 p.m. - Bunco, 1 p.m. - Kitchen Band.

Tuesday, Feb. 13 - 9:30 a.m. Coffee, 10 a.m. - Craft, Noon - Sack Lunch, 1 p.m. - Beginning Pinochle, 1 p.m. - Open Pinochle.

Wednesday, Feb. 14 - 10:30 a.m. to 2:30 p.m. - Valentine's Party.

For further information, call 395-2191 on Monday, Wednesday or Friday.

All seniors are welcome regardless of race, religion or residence.

## Benefit disco dance planned by 4-H'ers

The 4-H Federation Organization will sponsor a Benefit Disco Dance, at 8 p.m. Feb. 16 at the Lake County Farm Bureau Auditorium on Rt. 45 in Grayslake.

The Benefit Disco Dance is open to the public. Donations are \$1.50 for single person and \$2.50 for a couple.

Proceeds will go to "Music For UNICEF." The special D.J. for the evening will be Rick Lewis.

For more information please call the Lake County Extension Office, at 223-8627.

## Watercolor show open to area artists

Artists from Antioch are invited to enter the 1979 Watercolor Show sponsored by the Artists Guild of Chicago.

The show will open March 2 at the Artists Guild Galleries, 54 East Erie St., Chicago and will continue thru March 29. Entries will be received at the gallery between 10 a.m. and 4 p.m. Feb. 21 and 22.

Submissions are limited to original works executed in an aqueous medium, including water-color, casein, gouache, tempera and water-soluble acrylic, which have not been previously exhibited in a juried AGC Show.

The show offers several awards including jury cash awards and purchase awards.

Jurors for the show are Esther Sparks, associate curator, prints & drawings, Art Institute of Chicago; Patricia Tansill, assistant curator, Everett Oehl-schlager Galleries, Inc.; Blanche Marie Gallagher, professor of art, chairperson of art department, Mundelein College.

Entry fees are \$3 per item for AGC members, \$2 per item for AGC student members, and \$5 per item for non-members. Hanging fees are \$5 per entry for AGC members, \$3 per entry for AGC student members, and \$8 per entry for non-members.

For additional information and entry forms, contact the Artists Guild of Chicago, 54 East Erie St., Chicago, Ill. 60611. 787-6116.

Car salesman to prospective buyer of a mini-compact car with a teenage son, "I guarantee that you'll get seven miles per gallon with this car—and your son will get the other 11."

## Astro-Analysis

By Sonia

### HOROSCOPE FOR THE WEEK OF FEB. 4, 1979

**ARIES** [March 21-April 19] - Inspirational ideas, mental abilities can now be put to good use to further career plans. By associating with those who share your intellectual views you are able to realize dreams.

**TAURUS** [April 20-May 20] - You are more willing to adapt to new methods which can provide better resources. Show your interest in opportunities which may be offered concerning vocation changes.

**GEMINI** [May 21-June 21] - Although distant places, making long journeys are intriguing now, making permanent changes deserves careful deliberation.

**CANCER** [June 22-July 21] - Avoid too much discussion with quarrelsome associates over money affairs. You may need to re-evaluate your plans, assume a less assertive role.

**LEO** [July 22-August 21] - You get plenty of chances at forming new associations but be very rational about finalizing contracts. Legal affairs and joint business concerns should be handled in a cooperative fashion.

**VIRGO** [August 22-September 22] - Fellow workers are willing to participate in your work projects; profit comes through employment. Remember a good health program, take special precautions to safeguard.

**LIBRA** [September 23-October 22] - You get plenty of chances to speculate, get involved with new business deals; don't hurry into unwise decisions. Your abilities to make the right contacts.

**SCORPIO** [October 23-November 21] - Investigate conditions which concern real estate or property that could lead into a good investment plan.

**SAGITTARIUS** [November 22-December 20] - Both kin and neighbors are beneficial where your present interests are concerned. Increased activities which include short journeys all point toward success.

**CAPRICORN** [December 21-January 20] - An earning power is good now but there's also the tendency toward extravagance; keep busy doing constructive things so there's less time to spend unnecessarily.

**AQUARIUS** [January 21-February 19] - Seek personal interests, aims in a straightforward fashion. Others are more attentive and go along with those ideas when you show frankness.

**PISCES** [February 20-March 20] - Although some time should be set aside for charitable causes, time alone too, new revisions in an old schedule is essential.

## Arts, crafts show featured at Allendale

A regular highlight of the fall activities of the Allendale recreation department is its Arts and Crafts Show.

This year's event took place during the Christmas holidays and ran for five days. Items displayed included ceramics, woodcraft, teen tailoring, macrame, string art, and the ever favorite handmade jewelry.

The crafts displayed were all made by Allendale residents, under the guidance of the Arts and Crafts instructor, Ms. Patty Carmen.

If an item was purchased, 75% of the purchase price went directly to the boy's savings account, and 25 % went into the purchase of specialized glazes for the ceramics and other specialty items.

Some of the handmade teen tailoring items, done in the home economics shop, included very colorful pillows.

They were made of a variety of materials, including a polished cotton gingham and a brushed velure. The ceramics were highlighted with very well detailed old fashioned table radios and creatures from Star Wars.

It is hoped that the next Art Show will be ready in June. Hopefully, the crafts will be displayed in a local bank, as has been done previously.

## One of top 10

# Lucille Whitacre: A super teacher

Lucille Whitacre, former Antioch Grade school teacher and now a first-grade teacher in Highland Park's Kennedy Elementary School, was featured last Sunday as one of the top 10 "superteachers" in the Chicago Tribune Magazine.

Mrs. Whitacre still lives in Antioch with her husband Richard, who retired a few years ago as Antioch Grade School superintendent.

She was selected because she was "representative of the best in education" in the Chicago area by Tribune education editor Casey Banas. He said the teachers he selected were united in a common goal, "the best possible education they can provide for their students."

Banas reported that Mrs. Whitacre, 62, "runs the classroom on a modern controlled freedom principle.

While she works with one group, other children pursue their assignments.

"But when a child is through, he or she has options — finding a rocking chair and reading to a friend, continuing on an art project, or asking permission to go to the learning center to work on an advanced reading lesson."

He continued, "Her room is a symphony of learning, with each child knowing precisely what to do — and doing it — to further their education at the ages of 6 and 7."

Mrs. Whitacre started teaching after World War II under William E. Petty, who was principal of Antioch Grade School and retired several years ago as Supt. of Lake County schools.

She continued to teach first grade there for 23 years and about 12 years ago began teaching at Kennedy Elementary.

When asked what she thought of being selected as one of the top 10 teachers in the Chicago area, Mrs. Whitacre replied, "It really was an honor."

She explained that the Tribune had been researching the article since last August and wanted to come up with a good cross-section of the educational system in the Chicago area.

This would include teachers that were young and old, black and white, suburban and city, and elementary and high school.

Mrs. Whitacre explained that she started teaching right after high school and gradually earned both a bachelor's and master's degree from the National College of Education in Evanston.

She also earned some credits above her master's degree by attending classes at Lake Forest University taught by Dr. Petty.

The talented instructor's story is included in the Feb. 4 issue of the Chicago Tribune magazine, entitled, "Superteachers: The job is more than a paycheck."

If you haven't read it already, be sure to look it up!

## Correction

OOPS! We goofed in last week's story on "Starting, towing cars keeps stations busy" on page one. The service station on Rtes. 59 and 173 is the West End Service and Mini Mart, managed by Lee Koenig and Lou Parker and not Norm Van Rooyen, as stated in the article. The News regrets the error.

# Grant, Antioch steal show in wrestling meet

Grant's Bulldogs beat out Antioch's Sequoits in a two-team battle for the northwest Suburban Conference wrestling championship last weekend.

But Antioch had some "consolation prizes," including four individual champions, three runnersup and three third-place wrestlers.

The Sequoits' individual champions were Jon Gibson at 112 pounds, Marvin Gibson at 132, Jim Fasnacht at 126, and Dave Unrien at 105.

Antioch's second-place finishers were Glen McCullom at 98 pounds, Kirk Sarmont at 145, and Tim Haviland at 119.

Placing third for the Sequoits were Glen Kaht at 138, Jeff Thiel at 167, and Ted Bessette, heavyweight.

"WE WRESTLED a good tournament," said coach Ted DeRousse. "Our team scored 177½ points, enough to win the conference title almost any year, but Grant scored a record 202 points. We would have needed a great tournament performance to win."

Warren finished a distant third with 88 points and the other conference schools also were outclassed by the two powers, Grant and Antioch.

JON GIBSON WON the 112-pound championship by pinning his first two opponents and scoring an 11-2 decision in the finals.

Jon's brother, Marvin, breezed through the 132-pound class with a fall, a 9-0 major decision and a 5-0 triumph in the finals.

Fasnacht became the champion at 126 pounds by pinning two opponents and then winning a hard-fought, overtime referee's decision over Grant's Mike Riley in the title match.

Unrien, at 105 pounds, advanced to the finals with two pins and scored a 7-1 decision in his title match.

THE SEQUOIT WRESTLERS go after more honors Friday and Saturday when they compete in a district tournament at Round Lake. The fun begins at 7 p.m. Friday and, on Saturday, the semifinals will start at 12:30 p.m. and the championship matches at 6:30.

The two best wrestlers in each weight class will advance to a sectional meet, which leads to the state tournament.

"It is the dream of all wrestlers to do well in the state series," said DeRousse. "Our team will be competing in the district against wrestlers from Zion, Waukegan East, Waukegan West, North Chicago, Grant, Warren, Round Lake and Grayslake."

## Boys', girls' gym nights to be offered

Girls and boys from nine to 14 can sign up now for the gym nights to be featured in March as part of the Antioch Parks and Recreation programs.

Girls' gym night will be held from 7 p.m. to 8:30 p.m. Tuesday, March 13 at the Oakland Grade School for girls age nine through 14. The fee for the program is \$5.

Boys' gym night will be

held from 7:30 p.m. to 9 p.m. starting Tuesday, March 20 at the Antioch Upper Grade School. The fee for the program is \$5.

Also, Recreation Asst. Cathy Tanner said there will be a basketball free throw contest coming up soon.

For more information, call the recreation office at 395-2160.

## Nasenbeny scores 40 for frosh

Antioch's freshmen "A" team lost two close contests during the past week but the "B" team continued to win.

The "A" team lost 39-35 to Grayslake and 54-48 to Round Lake to bring its season record to 6-9 and conference record to 4-6.

The "B" team beat the Rams 36-34 and romped over the Panthers 53-26. The "B" team is now 9-1 overall and 9-0 in the conference.

Gordy Nasenbeny had a super week in the "A" games. He scored 40 points, grabbed 17 rebounds and handed out six assists in the two games. Steve Sheedlo scored ten points against the Rams and Tim Higgins and Bob Gatti nabbed 21 rebounds.

Against the Panthers Higgins and Keith Larsen each grabbed eight rebounds but no one could score more than six points.

In the "B" game at Grayslake Ed Jorgensen led scoring with eight points and controlled the boards. Mike Gofron had six points and many steals, and Mike Ware was credited with a good floor game. Rick Ranney scored 16 points and Gofron eight points to lead the romp over Round Lake.

YOUNG BOWLERS RECEIVING trophies from the Illinois State BPA for their outstanding performances in league play are, from left, Jim Weber, bowling for Body Craft, who won a trophy for his 235 game; Jeff Peterson, bowling for the State Bank team No. 9, who won a trophy for his 221 game; and Kim Stender, bowling for Erickson's Sewing Center, who won a trophy for her 235 game, and for her 502 series. (News photo by Andy Dugenske.)

## Apache wrestlers continue winning ways

The Antioch Upper Grade wrestling Apaches continued their winning ways by defeating Northwood (Woodstock), 68-21.

Ken Sandrick started the team off with a win at 65 lbs. He was followed in victory by Bob Torsitano (75), Jeff Nieze (80), Tad DeRousse (90), Steve Case (95), Tim Curtis (105), John Oelkers (112), Andy Lehn (125), Tibor Jung (135), George Bessette (145), Billy Carney (155), John Bronder (155) and Tim Prining (185).

The Upper Grade last Saturday traveled to Oak Forest for an eight-team invitational tourney.

The teams invited were thought to be the best in the state, including several teams that were high place finishers in last year's state tourney. Coach Ken Anderson said.

The Upper Grade placed fourth, but narrowly missed second and third place by only a few points.

Placing first were Tad DeRousse (90), John Oelkers (105), George Bessette (135), and Tibor Jung (145).

Placing second were Andy Lehn (125), and Dave Corso (118) and Tim Prining (170).

Placing third was Bill Carney at 155, and fourth was

Chris DeWitt at 85.

The tournament has many fine wrestlers and the finals were loaded with competitors who won high honors in previous state level competition, Anderson said.

The Upper Grade will wrestle away this Thursday when they tangle with Lundahl of Crystal Lake.

Saturday the team will make a strong bid for the conference crown at Harvard, where the conference tourney will be held.

The Apaches team welcomes all spectators, and hopes to hear and see lots of Antioch supporters at their events.

# Key game Friday: Antioch at Wauconda

After routing Round Lake 77-33 last Friday, the Antioch High School basketball team appears ready for its important game this weekend at Wauconda.

The Friday night game, starting at 8 o'clock, will be a contest between two teams that must win to stay alive in the race for the Northwest Suburban Conference championship.

Antioch's record is 7-3 and Wauconda's is 6-3. Both are chasing league-leading Warren, which has an 8-2 record.

After Wauconda, the Sequoits have only three conference games remaining — Lake Zurich at home on Feb. 16, at Stevenson on Feb. 23, and Warren here on Mar. 2 in what could be a duel for the title.

HOWEVER, ANTIOCH MUST beat Wauconda to boost its record to 8-3 in the league. A loss at Wauconda would leave the Sequoits with a 7-4 record and might eliminate them from contention.

When they met here Dec. 19, Wauconda was undefeated but the Sequoits scored a 68-65 upset.

Wauconda's Ted Wagner scored 22 points in the game, but Antioch ganged up on him as Scott Gallagher hit for 17, Pete Ploss for 16 and Roger Korjenek for 12.

This Friday's rematch promises to be equally interesting.

LAST FRIDAY'S 44-point win over Round Lake was the result of "balanced scoring and very good team defense," according to coach Roger Andrews.

Ploss had 15 points in the first half as the Sequoits sprinted away to a 32-19 lead and were never challenged. Ploss and Dave Gutowski finished with 17 points each and Korjenek contributed 13.

Roger Plechaty led in assists with six and Ploss was the top rebounder with 10.

Gutowski's shooting from outside Round Lake's zone gave the Sequoits a devastating 23-4 edge in the third quarter. That made the score 55-33 and Round Lake was finished with eight minutes left to play.

"We were loose and ready to play," Andrews said. "The team reacted the way a champion should."

**TWO MORE FOR SCOTT** — Antioch's Scott Gallagher adds to his season point collection in last Friday's 77-33 win over Round Lake.

## Antioch by 44? Harry Stewart had right idea

Antioch was a solid favorite to beat Round Lake in last Friday's high school basketball game here ... but who would have guessed the Sequoits would win by 44 points?

Well, Harry Stewart wasn't too far off. He picked Antioch to win by 36 and therefore won the Antioch News' basketball contest.

First prize was a \$15 gift certificate from Rittenhouse & Embree Lumber Co.

THE FINAL SCORE was 77-33 and, although almost all of the many people who entered the contest predicted a Sequoit victory, most figured the difference would be from 10 to 20 points.

George Boyd, however, was nearly as psychic as Harry Stewart. George picked Antioch to win by 35 points and that gave him second place in the contest — the prize was a \$10 gift certificate from Lyons-Ryan Ford.

Both Harry and George have been winners of our football and basketball contests in previous seasons.

GEORGE SCHOENLEBEN, another occasional winner, placed third last week by predicting a 32-point win over Round Lake. George will receive a \$5 gift certificate from Gibbs and Jenssen's Carousel.

Other educated guesses last week were made by Geri Vasek, who picked Antioch by 30, and Betsy Houghton, who said the Sequoits by 29.

BUT ONLY THREE prizes are given each week, and another \$30 worth of prizes awaits the winner of this week's contest.

Be sure to enter. It's easy to win ... just ask Harry Stewart.

## Girls' varsity now has 4-1 record

On Tuesday, Jan. 30, the Antioch girls varsity basketball team ran their conference record to 4-1 with a 37-35 victory over Lake Zurich. Antioch was outscored from the field 16-11 but gained the victory by hitting on 15 of 24 free throw attempts.

Top scorer for Antioch was Chris Byrne with 13 followed by Mae Stiles with 8.

Saturday Antioch maintained their first place conference position with an exciting 35-34 victory at Wauconda. Antioch took the lead for the first time with two minutes to go and held a three point lead until Wauconda scored at the buzzer.

Leading Antioch scorers were Mae Stiles with 12 and Tracy Manuel with 11. Wauconda top scorer was Mary Kay Whitman, with 17.

Antioch plays at Stevenson Saturday. The next home game is Tuesday, Feb. 13 against Grayslake.

SOMETIMES, DAVE GUTOWSKI moves so fast the camera captures him only as a blur of speed. Here, he goes up for two of his 17 points in the victory over Round Lake's Panthers. (Photos by Andy Dugenske.)

## FINANCIAL NEWS

[Editor's Note: This financial news column is designed for the general education of our readers. Mr. Schaub, assistant vice president of the Antioch Savings & Loan Association, will discuss areas such as taxes, insurance, investments and financial planning in general.]

On Jan. 10 we discussed tax credits for energy-saving improvements to your home?

At the time, I wasn't able to give you all the details because the IRS didn't know anything official about them yet. The IRS now has official information on those tax credits. The details are contained in IRS Publication 903.

You actually claim the credit by filing a Form 5695 with your 1040. I've arranged for Antioch Savings and Loan to have supplies of these two forms on hand. No one should try to take these credits without reading Publication 903 very carefully. There are a lot of details. I can't put more than a few of them in this column. I've used quotation marks where I have quoted directly from Publication 903.

THE NATIONAL ENERGY ACT provides two classifications of credits. "Credit for energy conservation expenditures" refers to money spent on energy-saving devices and materials such as insulation and storm doors. This is the credit where you get 15 percent of what you spent up to a maximum credit of \$300.

"Credit for renewable energy source expenditures" refers to money spent on solar, geothermal and wind-powered equipment only. This is the credit where you get a varying percentage of what you spent up to a maximum credit of \$2,200.

ONE BIG DIFFERENCE between the credits is that the "energy-saving-one" applies only to improvements of houses that were "substantially completed before April 20, 1977."

**Philip Schaub**

The renewable energy source credit, on the other hand, does not have this restriction. People like me, who've bought new houses, are out of luck unless we want to put one of the big expensive systems in.

SOME RULES are apparently the same for both credits. These credits apply only to your principal residence and only to houses located in the United States. You take the credit as of the date of installation, not when you purchased the item. The things you put in can be replacements of worn-out items.

Both owners and renters are eligible for the credits, provided they actually pay for the qualifying items.

Condominium owners can also use the credits, "based on their allocable share of qualifying expenditures."

If you add the items to your cost basis in the house for capital gains tax purposes, you have to reduce your basis by the amount of any tax credits granted.

THIS COLUMN is meant for the general education of Antioch News readers. It is not meant to prompt action on anyone's part.

Before taking any action suggested in this column, check with your attorney, accountant, or the IRS.

You can reach the IRS at 435-1040 (toll-free, 800 972-5400).

If you have any general questions you would like to see answered in this column, you can write to me either here at the Antioch News or at my office with Antioch Savings and Loan.

## Rev. Messersmith given theological service award

The Rev. Lauren H. Messersmith was awarded the Distinguished Service Award from the Alumni Council of The Chicago Theological Seminary on Jan. 30, at the Annual Alumni Dinner.

Prior to his retirement in 1973, Rev. Messersmith served the congregation of Millburn Congregational Church in Lake Villa, for 31 years.

Previous to his second career as a minister, he was a teacher and County Superintendent of Schools in Frontier County, Nebraska. Rev. Messersmith has become a key figure in the Lake County Mental Health Society and a prime mover for the Lake County Mental Health Clinic.

He is presently serving as calling minister for St. Peter's United Church of Christ in Lake Zurich.

Founded in 1855, The Chicago Theological Seminary is affiliated with the United Church of Christ and is the oldest institution of higher education in the city of Chicago.

# Weatherproof energy.

In winter. For the past several winters, many parts of the country have experienced energy shortages. The oil and coal needed to make electricity couldn't be delivered. Rivers were frozen. Stockpiled coal was frozen solid. The machinery to move coal was frozen.

As fuel ran low, electricity had to be rationed. Plants and schools were closed. People were out of the house. The nation became the nation.

Commonwealth Edison electricity is made mostly from abundant coal and uranium. That helps to conserve the scarce fuels oil and natural gas.

pastime. But not in northern Illinois.

It wasn't luck that got us through those winters. It was nuclear power. Over 40% of the electricity we make comes from nuclear fuel. Because no matter how much it snows or how cold it gets, nuclear fuel is available—weatherproof. Enough uranium to provide all the electricity

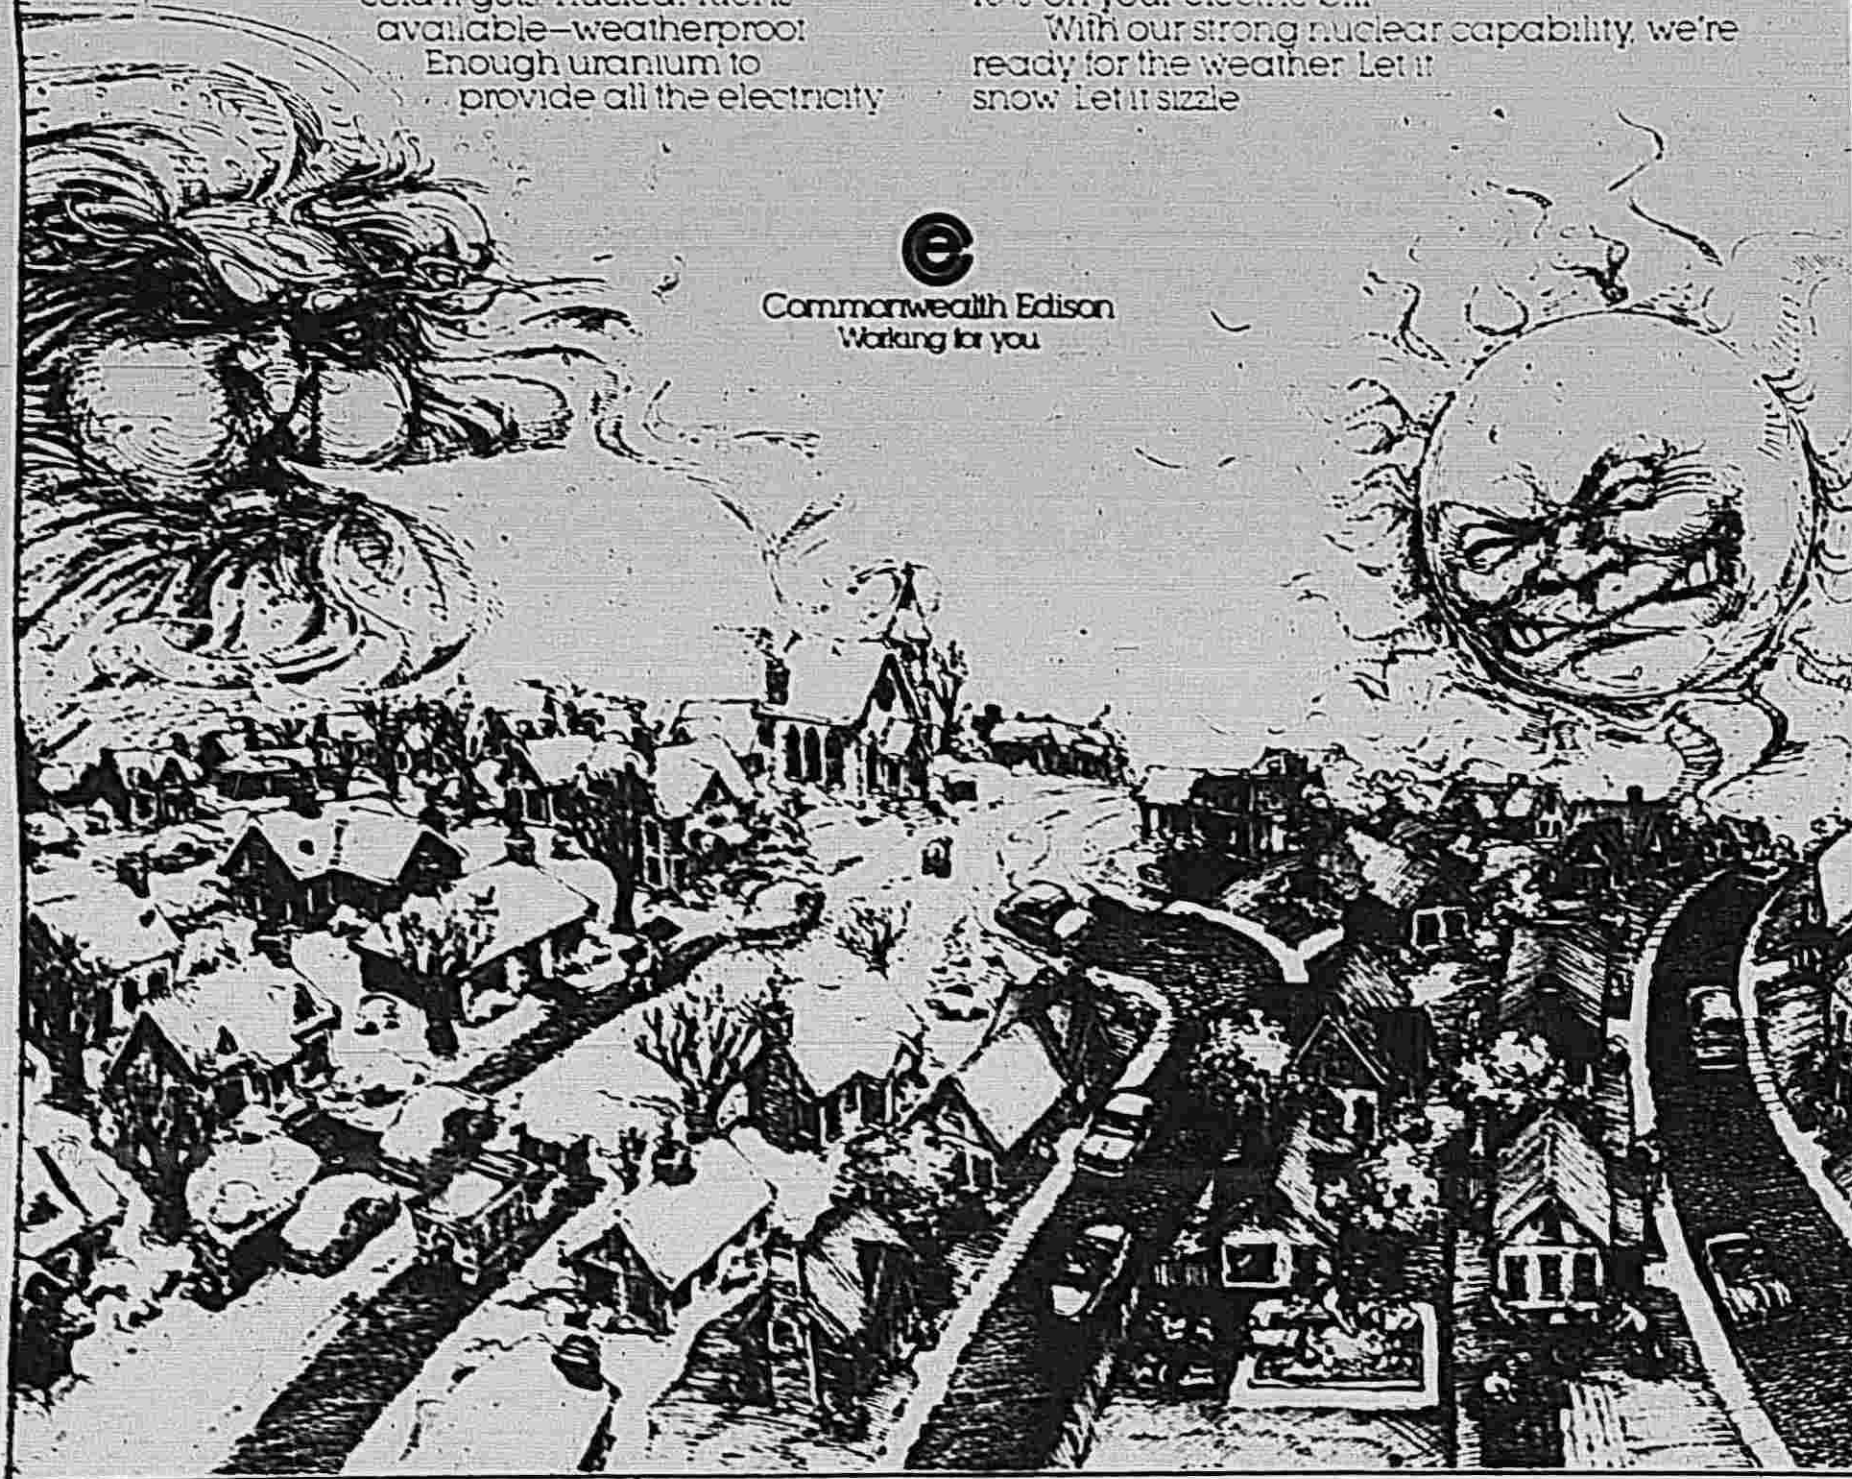

we need for an Illinois winter can be stored in a one-car garage.

In summer. Nuclear power gives us the reliability we need to respond to summer peak demands without brownouts. In the last decade, when growth of air conditioning helped increase demand for electricity more than 50%, Edison's nuclear stations had an unbroken record of summer availability.

And nuclear power is today's great energy bargain. It costs about a penny a kilowatt hour less than coal and two to three cents less than oil. If we replaced our uranium with low sulphur western coal in 1977, it would have cost an extra \$280,000,000 in fuel expense. Oil or gas would have driven the cost up to over one-half billion dollars. Instead, the nuclear fuel we used, the equivalent of 47,000,000 barrels of oil, saved over 10% on your electric bill.

With our strong nuclear capability, we're ready for the weather. Let it snow. Let it sizzle.

  
Commonwealth Edison  
Working for you.

## Free boating lessons

Safety is the name of the game in the free boating instruction being offered by the Chain O Lakes Power Squadron.

The proper operation of all types of boats, especially the family outboard, is emphasized in the 10-week course which begins Feb. 13.

Registration will take place the first night at 7:30 p.m. in Pistakee Highlands Community House, Hilltop Drive & Thelen Road. It is open to interested men, women, and older teens. It is not necessary to be a boat owner.

Aimed to teach the minimal knowledge required for safe boating, completing the course will increase the boatman's confidence, according to William Struve, commander of the Chain O Lakes Squadron.

It will lay a basic foundation for building boating skills by further study, application and experience," he said. The classes cover such subjects as boat handling under normal and adverse conditions, seamanship and common emergencies, rules of the road, aids to navigation, compass and chart familiarization, running lights and equipment, boat trailering and river boating.

"A boater, being responsible for himself and his passengers, who goes out on the water without proper knowledge of the rules of the road, safety requirements or aids to navigation, is asking for trouble," the commander said.

"With the information he may gain from this free instruction, he can have his boat properly equipped and be able to cope with the many situations he may face on the water."

The Chain O Lakes Power Squadron is a unit of the United States Power Squadrons, largest volunteer educational organization for boatmen in the world. Its members are men dedicated to promote safety in boating through education and donate their time to this service.

## Emmons takes conference tourney title

The Emmons eighth grade finished its season winning the conference tournament.

This, along with a third place position in the Antioch Invitational and a regular season title, gave the Raiders a very good season of 17-3. Coach Mike Mitchell said.

The Raiders playing some of their best basketball to beat a solid Spring Grove team easily 40-17, Mitchell said.

Using a combination of three zones and a sticky man-to-man, the Raiders all but shut off the offensive minded Eagles.

After jumping to an early 12-2 lead, the Emmons squad closed the first half with a 20-6 lead.

Tim Hartokolis led a balanced attack with 10 points. Frank Mahar added 9 points and controlled the boards hauling down 12 rebounds.

Todd Wilson's hot shoot-

ing from the corner accounted for 8 points. Craig Sheedlo added 5 while his fellow guard, Steve Haase dropped in 6.

To reach the finals, Emmons downed Grass Lake 22-13. Using a stall, the Braves were in the game at halftime with the vastly superior Raiders. Emmons held a 7-4 lead.

The Raiders opened the game up in the fourth quarter. Emmons was led by Hartokolis and Mahar with 7 each and Sheedlo added 4.

The girls' basketball team from Faith Lutheran extended their record to 7-0 this weekend by winning two more games.

Saturday, Feb. 3, the Lakers traveled to Kenosha, Wis., to play the Bethany Lutheran "Rebels." The Bethany man-to-man defense could not contain the Faith team

## Emmons' 7th grade

The Emmons seventh grade basketball team finished the year with victories over Prince of Peace and Millburn last week.

The victories gave the Raiders the conference tournament title, to go along with the regular season title.

It was the sixth consecutive tournament and conference title for the Emmons club.

The Raiders finished the year with a perfect 18-0 record, the only basketball team to go undefeated at Emmons, Coach Chuck Spillner said.

In last Thursday's game

in the tournament at Richmond High School, the Raiders opened a 19-2 first quarter lead and coasted to a 48-20 victory over Prince of Peace.

John Mahar paced the Raiders with 22 points, followed by Rod Steiskal with 8, Bryan Becker and Steve Mueller with 6 each and Ed Kuligoski with 4.

In Friday's game against Millburn, Emmons opened a 23-1 third quarter lead and coasted home with a 23-5 victory as the reserves played out the fourth quarter.

Mahar again led the way with 15 points.

## Faith Lakers extend record to 7-0

as the Lakers outscored them 45-14.

Cheryl Anderson led the scoring with 14 and Laura Heden added 12.

The Lakers played again Sunday, Feb. 4, at home, against the Friedens Lutheran team of Kenosha. Once more the Lakers hustled to a 44-12 victory.

Tied for high scoring

were Jodi Johnson and Cheryl Anderson, each with 14.

The Lakers are currently on top of the 10 team Lake Lutheran Athletic Conference, and have two games yet to play.

They are looking forward to the conference tournament held this weekend in Waukegan.

### Restorations

Your cherished memories  
don't have to stay locked  
away in that attic trunk or  
in the old family album  
you passed over as a child.  
They can be made to glow  
again in an honored  
place in your home or as a  
gift to someone dear.  
Stop in soon and  
bring your old  
photographs  
for restoration.

## OBITUARIES

### Lloyd W. LeGros

Lloyd W. LeGros, 86, of Antioch, died Jan. 31 at home, following a long illness.

He was born in Chicago Aug. 28, 1892 and had been a resident of Antioch since 1963. He had been an employee of the Chicago Milwaukee St. Paul RR, Division St. Freight office, Goose Island, Chicago and was a member of the Brotherhood of Railroad Clerks.

Mr. LeGros is survived by one son, Alvin H. LeGros, owner of Leo-Ron Sales in Antioch; one daughter, Dorothy; one step-brother, Edward Halloran of Ft. Atkinson, Wis., and many nieces and nephews.

He was preceded in death by his wife, Minnie, in 1971, a son, Harold, and a brother, Harry of Brookfield.

Chapel services were Saturday at the Barr Funeral Home in Antioch. Interment was in Elmwood Cemetery in River Grove.

### John C. Heaney

Mr. John C. Heaney, 79, of Lake Villa, passed away Monday, Feb. 5 on arrival at Victory Memorial Hospital. He was born Dec. 12, 1899 in Chicago.

He has lived in Lake Villa permanently for the past 12 years. He had been a truck driver for many years and later worked for the Illinois Tollway. He was a member of the Teamster Union Local No. 1705 in Chicago. He was also a member of St. Bede's Catholic Church in Ingleside. He married the former Mary Burns on Nov. 23, 1927 in Chicago.

Survivors include his widow, Mary; one daughter, Mrs. Joyce (Kenneth) Smith of Elk Grove Village, Ill.; two grandchildren, Jeffrey and Timothy. He was preceded in death by one son, John C. Heaney Jr. in 1966; by two brothers and two sisters.

Funeral Mass will be held today (Wednesday) at 11 a.m. at St. Bede's Church in Ingleside. Interment will be in Ascension Cemetery, Libertyville. Friends called at the Strang Funeral Home, Antioch, Tuesday evening.

### Harriett N. Paige

Mrs. Harriett N. Paige, 85, of Deep Lake Rd., Antioch, died Feb. 3 at Winchester House, Libertyville. She had been in failing health for the past six years.

Mrs. Paige was born in Erie, Pa. April 16, 1893 and had resided in Chicago and Round Lake for 30 years.

She is survived by one daughter, Joan (Lawrence) Roche (Radloff) of Antioch; a granddaughter, Bonnie (Bud) Hertel of Ingleside and five great-grandchildren, Michael, Jean, Julie, Donald and Thomas Hertel.

There was no public visitation or funeral service. Arrangements by Strang Funeral Chapel, Grayslake.

### Roger V. Johnson

Roger V. Johnson, 59, of Spring Grove, passed away Monday, Feb. 5 at McHenry Hospital, McHenry. He was born Aug. 13, 1919 in Wisc. Rapids, Wis. and has lived in Spring Grove since 1951.

He worked for Modine in Ringwood, Ill. and was a musician for 40 years. He was a member of the musician's Union in Waukegan for many years and was affiliated with the Spring Grove United Methodist Church. He married the former Dorothy Kolstra on May 26, 1942 in St. Louis, Mo.

Survivors include his widow Dorothy; one daughter, Mrs. Jean Ann (Norman) Mueller of Riverside, Calif.; his mother, Mrs. Tena Johnson of Wisc. Rapids, Wis.; two brothers, Dale Johnson of Colorado and Gene (Irene) Johnson (Wisc. Rapids, Wis.); two grandchildren, Kim and Richard. He was preceded in death by his father, John S. Johnson in 1977.

Funeral services will be held today (Wednesday) at the Strang Funeral Home, 1055 Main St., Antioch, with Rev. Douglas White of the Spring Grove United Methodist Church officiating. Interment will be private. Friends may call at the funeral home after 3 p.m. today. Friends desiring may make contributions to the Spring Grove United Methodist Church in his memory.

### Evelyn M. Tucker

Evelyn M. Tucker, 57, of Antioch, died Wednesday, Jan. 31 at St. Therese Hospital, Waukegan.

She was born Sept. 5, 1923 in Postville, Ia. and had lived in Wis. for several years before moving to Antioch in 1955. Mrs. Tucker was a member of the Tops Club in Lake Villa. She married Marcellous A. Tucker on April 20, 1938 in Lake Geneva, Wis.

She is survived by her husband, Marcellous, two sons, Lester A. and William D. both of Antioch, one daughter, Mrs. Judy L. Lyons of Antioch, four brothers, Walter Dundee of Darien, Wis., Elwood Dundee of Sharon, Wis., Marvin Dundee of Sharon, Wis., Eugene Dundee of Freeport, Ill., two sisters, Mrs. Adeline Winstead of Cahoon, Mo., Mrs. Janice Koester of Rock Grove, Ill. and two grandchildren.

Funeral services were held Saturday, Feb. 3 at the Strang Funeral Home, 1055 Main St., Antioch, with Rev. Stephen Williams of the Antioch Methodist Church officiating. Interment was in Cedarville Cemetery in Cedarville, Ill.

The city located at the highest altitude in the United States is Leadville, Colorado, more than 10,000 feet above sea level.

## ANNIE MAE

Larry Rodgers and five of his friends had the opportunity to attend Bozo's Circus last week when his mom and dad, Sally and Don Rodgers, took the gang to the show!

Larry's friend Michael Grealis, who goes to Antioch Upper Grade School, made a special day even more exciting when he was chosen to play one of the games on the show.

With all of his buddies cheering for him, Michael won the game, hammering nails into a board, and was awarded the top prize!

Kristen Christensen, an 11-year-old student at the Lower Grade School, will be on TV on Feb. 10! Kristen will be on channel five (NBC) at noon on the "Kidding Around" show.

She won a cake decorating contest that was held at Lakehurst Mall on Sept. 21st sponsored by the Northshore Icing Artists. (Her mom is a member.) Kristen will be on the show, demonstrating her talent in the cake decorating, demonstrating her talent in cake decorating. Make sure you watch her!

Mrs. Ray (Eunice) Rathmann, who is the Americanism Chairman of the American Legion Auxiliary, 10th District, will be attending the 51st annual Patriotic Conference of the Auxiliary this Friday at the Pick Congress Hotel in Chicago.

The national president will be a guest speaker, along with Captain Richard A. Stratton, U.S. Navy, a former prisoner of war.

It should be an interesting and enjoyable conference!

OOPS, I FORGOT A birthday. Carol DeSalva of Antioch celebrated on the 28th. Sure hope it was happy, Carol.

Speaking of birthdays, I want to wish Bob Lipinski a Happy Day next Tuesday, the 13th. We hear you're rounding off the figures this year! Poor boy!!

I KNOW WHERE I'll be this weekend. I'm going to the Annual Ice Fishing Derby sponsored by the 885 Civic Club and the Northern Illinois Conservation Club. It's out on the south end of Channel Lake and it's two days (from 9 a.m. to 4 p.m.) of fun, games and prizes. Hope to see ya' there!

## AARP members hear talk on heart care

Dan Dugenske, member of the board of directors for the Heart Association, was a guest speaker at the last meeting of Antioch's American Association of Retired Persons.

Dugenske, who was also a member of Antioch's Rescue Squad for 19 years, as well as a Red Cross and C.P.R. instructor, gave an informative and inspirational speech on how to take care of one's heart, with questions and answers following.

Treasurer Helen Halka opened the meeting during the absence of President Esther Alani and Vice President Dolly Spiering and second Vice President Clarence Spiering.

Helen also read the minutes in the absence of Violet Feldman, recording secretary, who is home recuperating. Also, a St. Valentine's Party is being planned for Tuesday, Feb. 13 by Program Chairman Glenn Petersen. Lunch will be from McDonald's Restaurant, with cake and ice cream for dessert.

Games will be played and candy will be given for prizes. Frances Winiecki, public relations chairman, welcomed new members to attend the AARP meetings, held the second and fourth Tuesday of the month at noon in Father Frawley Hall, St. Peter's Catholic Church, 557 Lake St.

## St. Peter's to present night of music, dancing

You say you have not seen your car since last year? You say your hand now looks like a snow shovel?

The kids can't go out and play because they lost their boots in the snow?

If that's your problem, come join the other cabin fever-ites for a night of fun and frolic at the St. Peter School Board Dance at 8 p.m. Saturday, Feb. 17.

It's your opportunity to get out of the house and dance your cares away to the music of the Kay Lee Quartet at the St. Peter Social Center.

School, families and

friends are welcome at the minimal charge of \$5 per couple.

A cash bar and food will also be available. Tickets are on sale at the rectory and school.

Also, Roger and Jill Allen can be contacted for tickets at 395-7334 or Ted and Dawn Burbridge at 395-5678, co-chairpersons.

So forget your snow worries, dig out your car and come join us.

## Fire department aids in fire calls gains new truck

The Antioch Fire department assisted in putting out two fires last weekend and also acquired a new fire truck at a cost of about \$80,000.

One fire, which occurred at about 7:30 p.m. Friday, started in a storage area in the basement of JoAnna Court apartments on North Main Street.

Fire Chief Todd Maplethorpe said the fire filled the building with smoke, but damage was light. The building is owned by Tony Knabb and investigation is continuing on the cause of the fire.

Another fire occurred Saturday about midnight in

a barn in Newport township on Kelly Road and Rte. 41. Maplethorpe said the barn, which was full of hay, "was pretty heavily damaged."

The Antioch Fire department assisted Newport on the call.

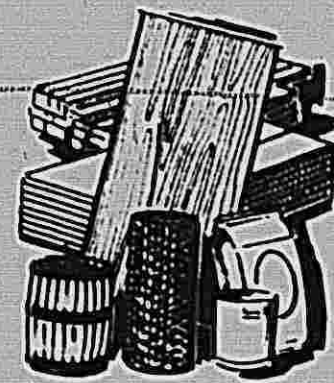

Also, the new fire truck, which has been on order for more than one year, was delivered Saturday and is part of the first fire district in Antioch.

The custom unit contains the newest features in fire truck equipment, such as a top control pump and an automatic transmission.

Maplethorpe estimated it to be a 30 to 40-year vehicle.

AN OPEN LETTER TO ALL OF OUR FRIENDS:

As I sit here a starin' at these mounds of white stuff,  
I'm sure that of '79 blizzard tales you've had quite enough.  
So instead of complainin' and telling you our winter woes,  
We thought we'd let you in on how everything goes!

The Heaters are heatin' and the lights are all lit.  
Carpenters are hammerin' the walls where they fit.  
Plasterers are hoddin' and trowelin' (boy is it neat).  
It won't be long and the court walls will be complete.

The whirlpools and saunas are all in, my friends.  
(cept for a few pipes with elbows and bends).  
Tile men are here with mortar and grout.  
(Guess I'm in the way so better move out!)

Oh, yes we're later than we originally planned.  
But we ask for your patience and try to understand.  
That the delays (caused by that stuff I won't mention)  
Were certainly not our intention.

An opening day unfortunately we still cannot state.  
But believe us we're pushing for the earliest date!  
An "Open House" for all the interested population  
Will be one of much fun and jubilation.  
With FREE clinics, Prizes and Tours.  
And a chance for our family to meet yours!

Our thanks we extend to each and every one.  
For your memberships and interest it's really been GREAT!  
Please accept our apologies for opening late!  
Watch all the papers (we hope very soon)  
For our "Open House" weekend and your Racquetball Boon!

Off The Wall, from  
The Gang at Lakeview Hills

P.S. Our phone is 395-8788
